

Information, Rules and Tips for the animated ZuKi-Children's Birthday Parties

Please read carefully as it will address all of your potential questions.

The beloved children's parties take place exclusively on Saturdays and Sundays within the allocated time frames of 10-13 o'clock and 14-17 o'clock.

We will temporarily reserve your chosen, still-available, date ([Belegungsplan](#)) and contact the entertainers. As soon as an entertainer confirms their availability, we will contact you by mail and send you the bill. Please pay the received bill as soon as possible to allow us to confirm the final booking.

Duplicate dates cannot be booked as the parties can be hosted in any weather conditions. A rebooking to an alternative date is possible up to a week in advance for additional cost of Fr. 75.-. The alternative date is only valid if it has been booked via the booking plan, the contact form has been requested and we have given the final confirmation for the date. The additional cost must be paid within three working days after our final confirmation.

The offer includes

- 9 children and the birthday child (free). Included are 3 hours of entertainment and supervision from one of our entertainers, as well as the preparation and management of the party.
- Every additional child costs Fr. 15.-. Maximum attendance is 15 children.

Recommendation: Based on our experience, it has become clear that big age gaps between the children often leads to tears and frustration as they feel either too old for the games of the little ones or too young for the more hectic games of the older ones. Our recommendation is to invite children of a similar age to the birthday child's. This obviously does not apply to siblings.

- on request, different themes can be chosen, such as: Native American, princess, pirates, knights, dinosaurs, astronauts, etc.
- it will be an arts and crafts and play party with a treasure hunt, tailored to the specific age of the children.
- sunday surcharge Fr. 50.-

Your invitation of the guests

Please inform your guests of the following:

- The birthday party takes place on a nature-orientated adventure playground. This means that your child might get dirty. We recommend solid shoes and weather-appropriate clothing, preferably trousers. 🖐️ no Flip Flops, soft shoes, skirts. This way your child can happily enjoy all the events.
- The party is exclusively for children. We will pick the children up at the meeting point at Lorzenparkstrasse 4 at the agreed time and drop them off again at the same location.
- It is forbidden to drive a car, from either side, to the Adventureland ZuKi-am-Teuflibach. Parents who live farther away can visit other local areas, such as the beautiful Vilette Park near the lake.

Approximate Course of Events

A few days before the party, the entertainer will contact you by telephone (possibly with a hidden number) and discuss with you the finer details of the day, for example: the specific treasure, your decorations, when you can come to the adventureland to decorate the tables - in most cases 1 hour before the actual party.

In case of very bad and cold weather, we can relocate the party from the covered terrasse to the communal room. This relocation will be decided together with you.

The entertainer prepares the different events/games.

The guests gather at Lorzenparkstrasse 4 and you will collect them there to guide them to the adventureland. Upon arrival they will be greeted by the entertainer and taken through the diverse activities.

After about 1 ½ hours the cake will be served, presents exchanged etc. Following the cake serving, the children can use the facilities of the adventureland freely. Afterwards, there will be more games. During that time, you can already clear the tables, clean and collect the rubbish.

After the big farewell (13 or 17 o'clock) one of you will guide the little guests back to the meeting point at Lorzenparkstrasse 4, where the parents can collect them.

After the party, you have about 15 minutes to finish cleaning up before everyone leaves the area.
